

ANNUAL GENERAL MEETING

CULTIVATING WELLNESS: STRENGTHENING PEOPLE, LANDS AND COMMUNITIES

JANUARY 27-28, 2026

09:00 AM - 04:00 PM

About our event

Join BCALMA for our Annual General Meeting, focused on accountability, and wellness. We will review the audited financial statements and Annual Report, highlighting key achievements from the past year.

Members will also take part in electing three Board of Directors who will help guide the Association's future direction.

Aligned with this year's wellness theme, we will reflect on wellness for self, land, and our organizations—recognizing that strong land management begins with healthy leaders and healthy Nations. We look forward to gathering and continuing this important work together.
