Speaker Invitation – Cultivating Wellness AGM

We invite you to join us as a speaker at the BC Aboriginal Land Managers Association's Annual General Meeting, Cultivating Wellness. This year's gathering focuses on wellness for self, land, and our organizations, and we would be honoured to have you share your knowledge and insights with our members.

Your voice and experience would greatly enrich the conversation as we work together to support strong, healthy land stewardship across our Nations. Please let us know if you are available to join us.

We look forward to the possibility of welcoming you.
